

The Buffalo Bills Youth Foundation is a not-for-profit organization that supports charitable organizations that emphasize improving the quality of life for youth in Western New York.

2014 Grant Programs

The Buffalo Bills Youth Foundation awards grants through two programs. Through the Buffalo Bills Play 60 Grant Program, the Youth Foundation awards \$25,000 grants to fund programs which focus specifically on mitigating childhood obesity. In addition, we continue to award smaller grants through our General Grant Program.

PLAY 60 Grant Program

In support of the Buffalo Bills PLAY 60 initiative, which encourages kids to be active for 60 minutes a day, the Buffalo Bills Youth Foundation will award \$25,000 grants for programs which promote physical activity, proper nutrition and/or an overall healthy lifestyle for youth. Interested Western New York non-profit organizations that are tax-exempt under Section 501(c)(3) of the Internal Revenue Code may submit an initial proposal online. Finalists will be notified and invited to submit full applications.

Initial proposals were accepted online until **March 31st**.

General Grant Program

The Foundation awards smaller grants through our General Grant Program. We encourage organizations with specific programs that promote fitness, health & safety and youth football to apply. Interested Western New York non-profit organizations that are tax-exempt under Section 501(c)(3) of the Internal Revenue Code were asked to submit an application online by **April 30th**.
